

BIG DATA EUROPE

Empowering Communities with Data Technologies

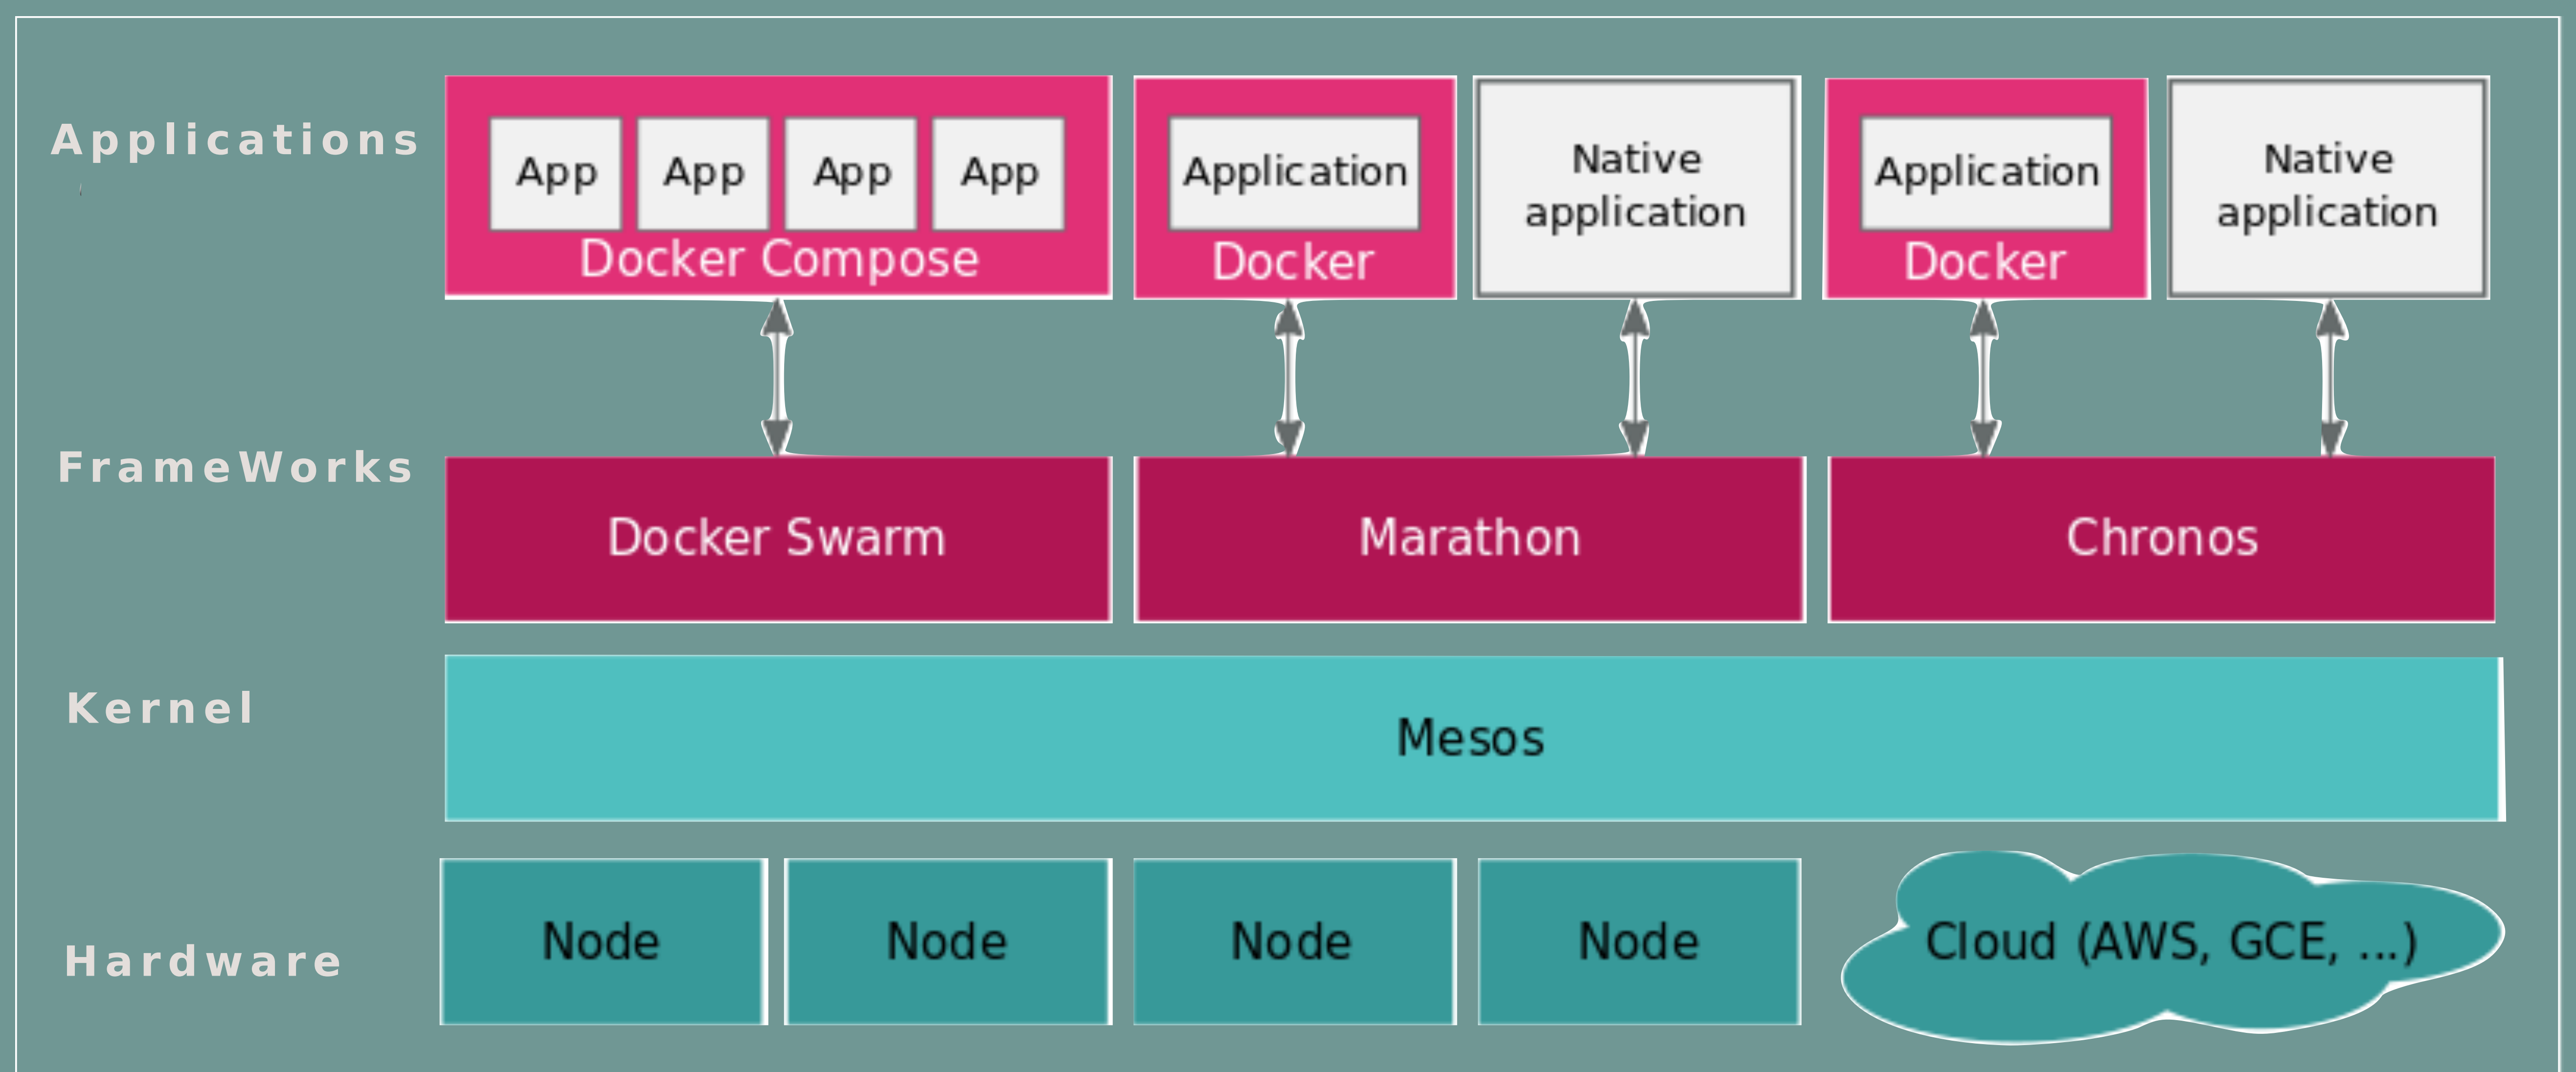

WWW.BIG-DATA-EUROPE.EU

BIG DATA Platform For Empowering Communities including Life Sciences

- * Easy to deploy
- * Easy to use
- * Scalable
- * Flexible
- * Fault tolerant
- * Fine grained sharing
- * Efficient resource management
- * Opensource Technologies
 - Apache Mesos
 - Zookeeper
 - Hadoop
 - Dockers

Pipeline Components	
Applications	Spark, Hadoop, Kafka, Flink etc..
Deployment	Dockers
Frameworks	Marathon, Chronos, Docker Swarm
File System	Hadoop File System
Resource Manager	Mesos

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 644564.
